27 September 2010 marks a truly remarkable day in the milestone of Infinity as Long Service Awards were presented to some of our longest serving staff within all our service entities.

In a short speech delivered by our Joint Managing Partner, Mr Kuah Hong Woon, the Partners and Directors expressed their thanks and appreciation for the valuable contributions and devotion that these staff had contributed over these years.

Recipients were each presented with gift vouchers from The Hour Glass Limited which entitles them to redeem for a luxury watch of their choice and followed by lunch.

To embrace this occasion, it was also announced the promotion of Ms Lim Soh Yen as a Partner of our Assurance division. Soh Yen has joined us since 1997 and had over these years contributed immensely to the growth of Infinity.

Being able to be supported by such long serving personnel, this is truly an attestation to our corporate philosophy that “People are our Principal Assets”.
